Alcatel-Lucent OmniSwitch

OmniSwitch 6250

The Alcatel-Lucent OmniSwitch 6250 family provides an optimized, eco-friendly, fixed form factor ideal for placement in enterprise edge environments where security, flexibility and scalability are required. This Fast Ethernet, value-added switch offers an extensive feature set and can be stacked in any combination of PoE and non-PoE up to 416 ports.
The OmniSwitch 6250 is the ideal solution to address branch office application needs with advanced layer-2 capabilities and power over Ethernet (PoE), enhanced network security and basic routing. Coupled with an OmniAccess™ Unified Services Gateway (USG) WAN access router, the two together provide cost-effective and service provider friendly managed networking solutions.
Each OmniSwitch 6250 comes with:
- 24 RJ-45 ports configurable to 10/100 BaseT
- 2 RJ45/SFP combo ports configurable to be 10/100/1000 BaseT or 100/1000 BaseX
- 2 dedicated 2.5G HDMI stacking ports with internal AC supply.
- AOS Enterprise software, country specific power cord
- 'user manuals access card, software download access card, RJ-45 to DB-9 adaptors

OmniSwitch 6250 is also available in **PoE (Power over Ethernet)** version.

OmniSwitch 6450

The Alcatel-Lucent OmniSwitch™ 6450 is a new Value Gigabit Ethernet Stackable LAN family of switches for small and medium-sized enterprise edge and branch office environments. With an optimized design for flexibility and scalability as well as low power consumption, the OmniSwitch 6450 Stackable Gigabit Ethernet Switch is embedded with the latest technology, AOS innovations and ships 10 Gigabit ready for investment protection.
Each OmniSwitch 6450 is fixed configuration chassis in a 1U form factor and comes with:
- 2 x Gigabit fixed SFP uplink ports (SFP+ for 24/48 ports)
- 2 x port expansion slots for additional gigabit uplink or 10G stacking module (for 24/48 ports)
- an internal AC power supply with a country specific power cord
- RJ-45 to DB-9 adaptor and user manuals access card

Ethernet SFP optical transceivers, stacking module and cables may be ordered se
